

Questions and Answers to MARKETPLACE Venue RFP

Questions were due April 27, 2017. Answers to be provided/posted on April 28, 2017 on inwisconsin.com.

Question: I see that your 2017 dates are not flexible, and it turns out that we have events already booked during those dates. Can I still bid for the 2018/2019 dates?

Answer: While we would like to not change the 2017 dates, we recommend responding with available dates surrounding this that match the pattern, and with the requested date options for 2018/2019.
