Deloitte Consulting
Wisconsin Economic Development Corporation
Wisconsin Certified Sites Program
RE: Dunn County's RFI Submission

Dear Certified Sites Submission Review Team:

It is the pleasure of the Dunn County Economic Development Corporation to fully support this site submission to the Wisconsin Certified Sites Program.

Our supporting partners (including the City of Menomonie, in whose industrial park our submitted site is located) will work closely with Deloitte and the Wisconsin Economic Development Corporation to fully realize certification for the site.

Further, we believe the certification concept will provide value not only for this site, our City and the County of Dunn, but also that certification will help economic developers in all areas (not just in the immediate areas where sites are certified) attract companies to our region and the State of Wisconsin.

Thank you for this opportunity.

Sincerely yours,

Christopher Smith, Director
Dunn County Economic Development Corporation
