

# LAKE WISSOTA BUSINESS PARK: WETLAND DETERMINATION REPORT

Prepared For:  
Chippewa County Highway Department

Prepared By:  
Jessica J. Pozarski  
Environmental Specialist

With Oversight By:  
Michael E. Dahlby  
Chippewa County Land Conservation Department

October 1<sup>st</sup>, 2012

# **TABLE OF CONTENTS**

1.0	Introduction	Page 1
	Authorization	Page 1
	Figure 1. Site Location	Page 1
	Reason for Wetland Determination	Page 1
	Identification of Scientist	Page 1
	Dates of Investigations	Page 1
	2011 & 2012 Precipitation Graphs	Page 2
2.0	Determination Method	Page 3
	Review of Existing Information	
	Aerial Photography	Page 3
	Figure 2. Aerial Photos: May 1939 and Oct. 1951	Page 3
	Figure 3. Aerial Photos: May 1981 and May 1999	Page 4
	Information on Mapped Wetlands	Page 4
	Figure 4. WDNR and USDA Wetland Inventory Maps	Page 4
	Information on Soils	Page 5
	Information on Hydrology	Page 5
	Figure 5. Soils Survey and USGS Quadrangle	Page 5
	Description of In-field Methods	Page 6
3.0	Results and Discussion	Page 6
	Site Description	Page 6
	Wetland Characteristics within Constructed Stormwater Facilities and Road Ditch Conveyance System	Page 7
	Figure 6. Areas with wetland characteristics	Page 8
	Pictures A-I of Survey Area	Page 9 - 11
4.0	Conclusion	Page 12
	Brief Summary	
	Permits	
	Regulatory Agency Contact Information	
5.0	Resources Cited	Page 13
Appendix A.	Qualifications	
	Jessica Pozarski, Environmental Specialist	
	Mike Dahlby, County Forest Administrator and Public Liaison
