RE: CITY OF SPARTA SOUTH POINTE BUSINESS PARK

The City of Sparta is proud to be able to advertise its newest 180-acre South Pointe Business Park that includes a 114-acre site as part of the WEDC's Certified Sites Program. We plan on utilizing these resources to aggressively market for commercial and industrial growth in our community. Sparta is fortunate to be home to several nationally recognized corporations, such as Mathews Archery and Century Foods (both winners of the Wisconsin Manufacturer of the Year Award,) as well as Multi-Stack and Northern Engraving. With our progressive attitude, we strive to make Sparta move at the speed of business with recreation and quality of life second to none. Sparta is truly a great place to discover and grow.

We look forward to working with you in this exciting endeavor. If you have any questions or concerns, please do not hesitate to contact me.

Respectfully,

Todd R. Fahning
