MEMO

Beaver Dam Commerce Park

FROM: Jeff Muenkel, Foth Companies

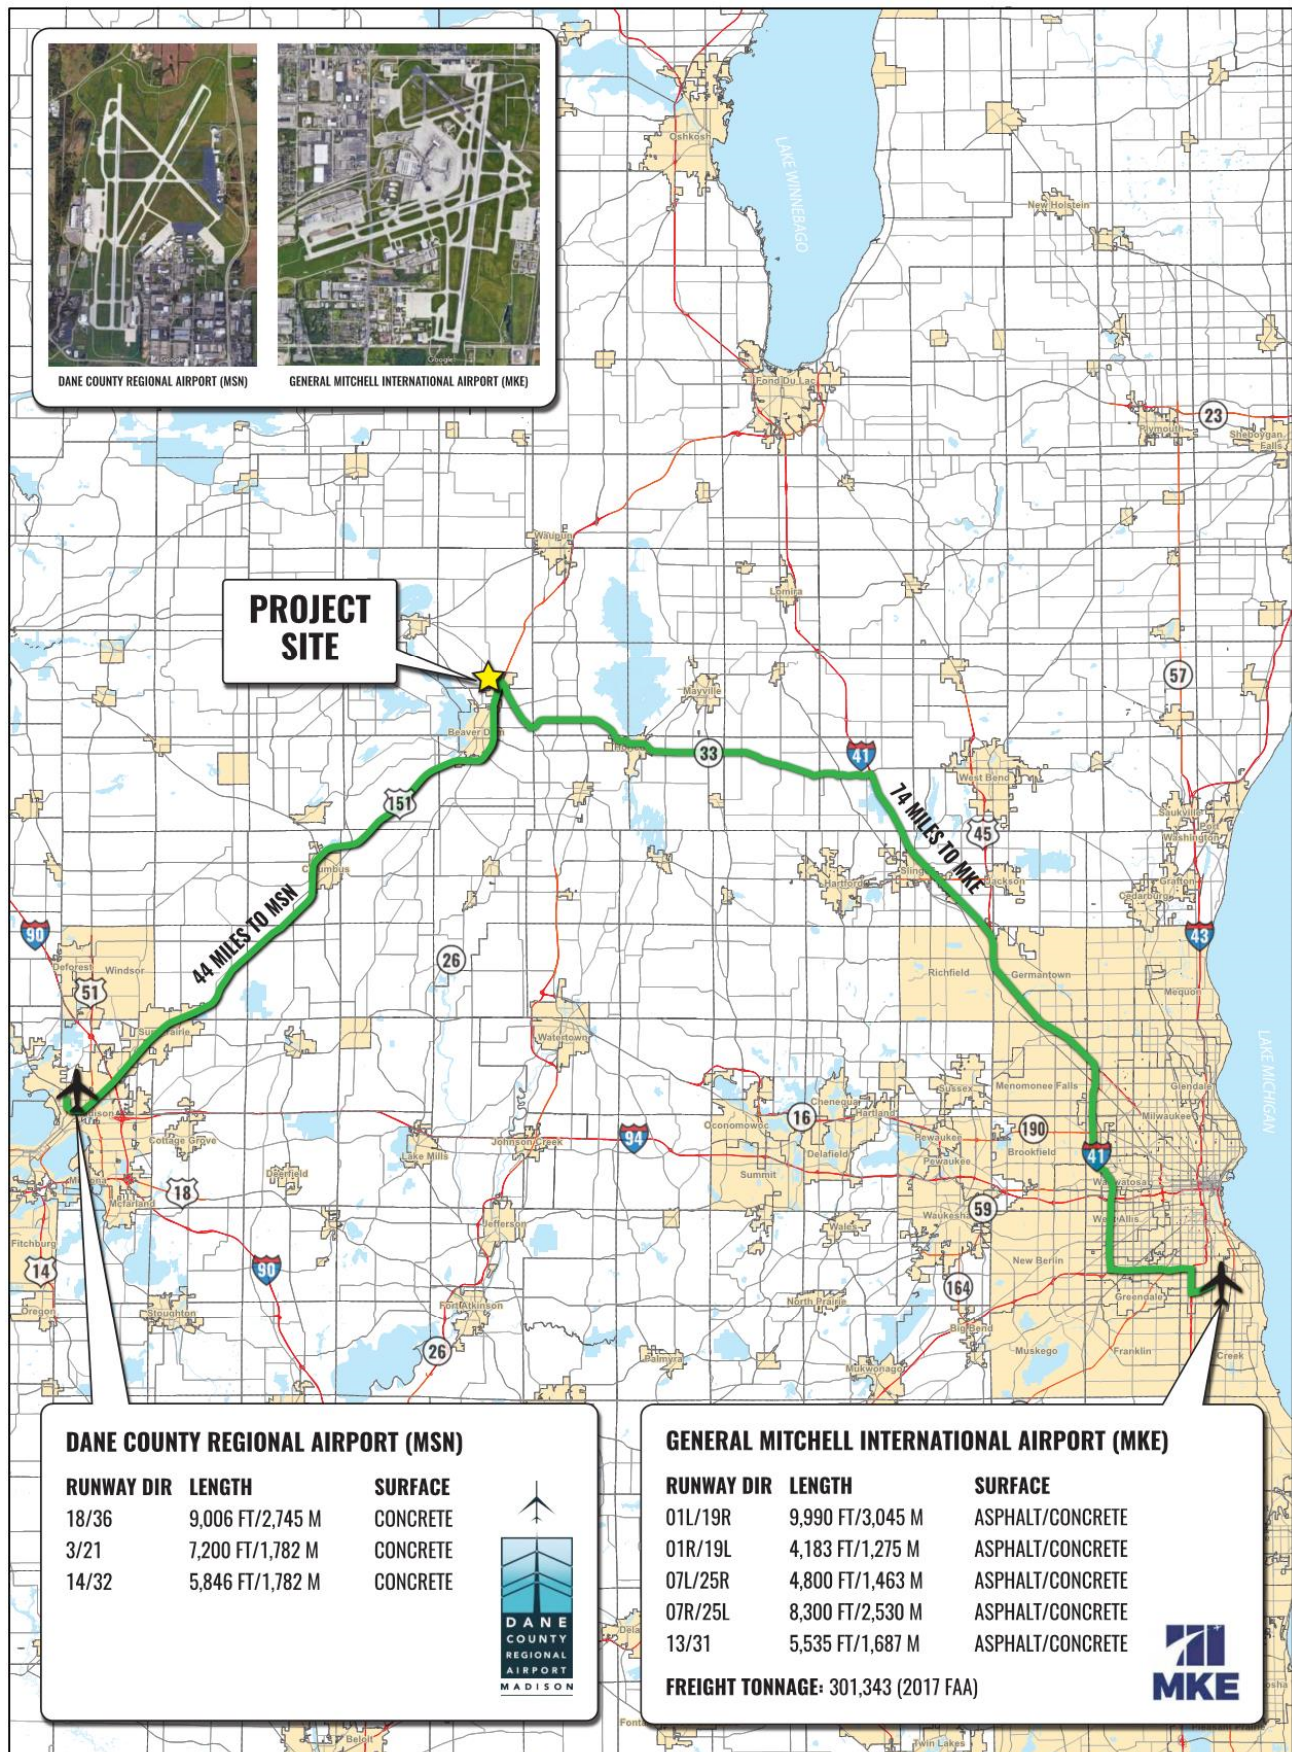

REGARDING: Airline Service Report

DATE: January 2019

This memo serves as documentation for the Wisconsin Certified Sites Program on the following for airline service and infrastructure documentation:

- Avoidance of Flight Path: Per the map attached there is no airport in the area that affects building heights on the Beaver Dam Commerce Park. Maximum building heights will be driven by future zoning approvals from the City of Beaver Dam, Wisconsin. The current light and heavy manufacturing zoning districts allowed in the City of Beaver Dam allow a maximum height of a structure at 60 feet.
- Commercial Airport Proximity: Per the map attached the closest commercial air service airports and distances to the Beaver Dam Commerce Park are found:
 - Dane County Regional Airport (MSN) – Approx. 44 miles away
 - General Mitchell International Airport (MKE) – Approx. 74 miles away
- Freight Airport Proximity/Capacity: Per the map attached the closest freight service airports, distances, and capacities are found in relation to the Beaver Dam Commerce Park:
 - Dane County Regional Airport (MSN) – Approx. 44 miles away
 - Freight Tonnage 2017: No public data found
 - General Mitchell International Airport (MKE) – Approx. 74 miles away
 - Freight Tonnage 2017 (Per FAA): ~301,343 tons

NOTE: Runway lengths/surfacing shown on map for each commercial/freight service airport
